# ***Meet Ricoltex, Grupo Ritex***

*Leading in Argentina for high-quality yarns and knitted fabrics,  
blending innovation, sustainability, and performance  
for global textile markets.*

# ***LAIP's contribution to Ricoltex's achievement***

*Renovating the Heat Exchangers Plant, with **WExY Heat Recovery System**, the outcome accomplished have been:*

**1**

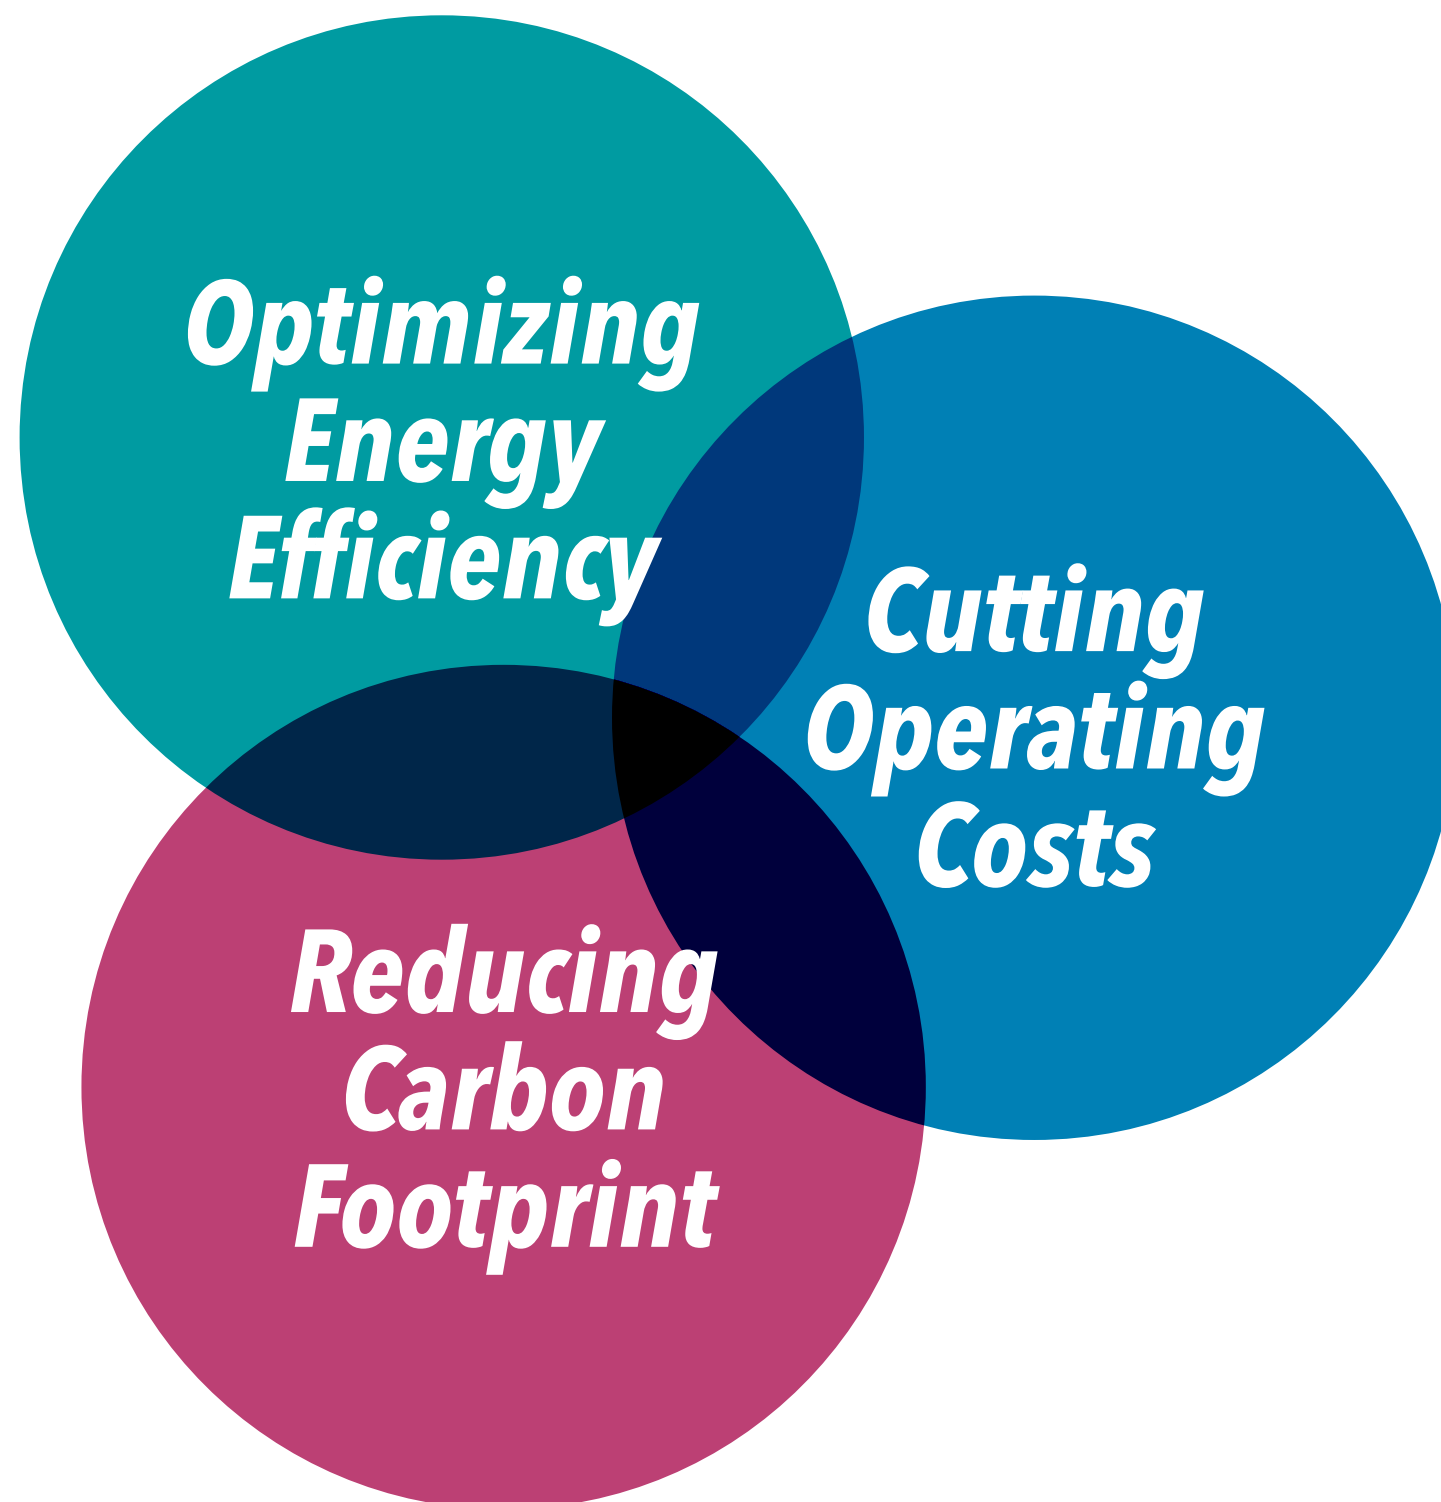

*Reduction of the temperature of the textile effluent,  
for its future treatment in the ETP*

**2**

*Recover of the thermal energy of the effluent  
to preheat the clean water entering  
the production process*

# ***LAI P's contribution to Ricoltex's achievement***

***Driving Industrial Sustainability  
& Maximizing Energy Efficiency***

# *Looking for the right dyeing partner?*

*Let's create textile excellence together.*

**LAI P**  
Italian Dyeing Technology SINCE  
1958
